24HR Commercial Roofing Service is a company that specialises in providing professional roofing work. We service both private and commercial clients throughout the local area. We have a great deal of experience in all areas of the roofing industry, and with this knowledge we are able to offer quality workmanship with peace of mind.

We offer our experience to all domestic and commercial customers, and we offer an excellent service and competitive prices at all times.

Before the roofing repair contractor starts working on your roof, ask about his insurance coverage. Will he be able to pay if he inadvertently damages your house? What if he falls off of your roof and injures himself? Is that your responsibility?

Hiring a roofing contractor doesn’t have to be difficult. Just remember to do your homework and not to rush into signing with the first company that comes to your door. Done properly, a roofing repair will last for years to come
