

## **Knowledge about Commercial Kitchen Canopies / Kitchen Canopy Extraction System**

### **Type A Extraction Canopies**

These canopies are manufactured in large production line factories similar to the car industry, this type of manufacture is extremely cost effective with out affecting quality this clever design which includes integrated fan, baulk-head lights and fully wired means installation is relatively straight forward.

### **Type B Extraction Canopies**

Medium duty canopies designed and manufactured to your specific requirements from a basic wall mounted to central island design, manufactured from 304 stainless steel fully welded with polished corners and riveted plenum chamber, complete with baffle filters and drip trays. Available in any size or shape, build to meet the requirements of your kitchen including ductwork, fan speed controller and fan.

### **Type C Extraction Canopies**

Heavy duty canopies designed and manufactured to your specific requirements, manufactured from 430 stainless steel, the design is CAD drawn and then manufactured by automated punch press giving ultimate accuracy and precision engineering. Fully welded with polished corners. Made in sections we can make and install the largest commercial canopies available
