

## **Recommended 24HR Commercial Catering Gas Engineers**

Due to a high level of skill and experience that our commercial gas engineers- commercial heating engineers we have. We can offer you fast-response 24 hour commercial gas service to all businesses. We can attend your property with a short notice. Our commercial gas engineers are qualified to work on commercial gas appliances like boilers, water heaters and commercial catering in all commercial premises for example restaurant, factory, pub, catering company, university, etc.

As you know some emergency can bring you a lot of stresses. What if your commercial cooker doesn't work, your bakery that has a few faults and keeps giving you troubles, pizza oven that doesn't bake the pizza well enough, your commercial boiler that doesn't heat up your hotel rooms during cold night when you have VIP customer staying there? Oh..Just a thought of one of these it already gives your headache! as if you ever get these you would end up losing your business opportunities and give you a real nightmare experience. We can work on kabab making machine, fryers, Chargrills, Griddles, Cater-Grill & Roller Grill as well as commercial boilers, commercial water heaters in your hotel or any commercial home. Keep us in mind and come to us straight before things get worse! The sooner you come to us, the better it is for your business.

## **Commercial Catering Appliances installation and maintenance**

Our qualified commercial gas experts can help you find solution of the problem you have with Commercial Catering Appliances. We pride ourselves on offering a personal touch service whatever simple things like commercial oven, cooker installation to complex problems such as emergency breakdown during rush hours.

Whether it be – jobs in a small kitchen requiring a counter top griddle to be replaced, to a large banqueting facility who need a complete solution for cooking/chilling and conserving, we have the right type of Commercial Catering Equipment to suit your needs. We specialise in repairing, servicing, installing of commercial appliances in any restaurant, from pizza ovens to pasta cookers etc
