

Knowledge about Commercial Kitchen Canopies

Type A Extraction Canopies

These canopies are manufactured in large production line factories similar to the car industry, this type of manufacture is extremely cost effective with out affecting quality this clever design which includes integrated fan, baulk-head lights and fully wired means installation is relatively straight forward.

Type B Extraction Canopies

Medium duty canopies designed and manufactured to your specific requirements from a basic wall mounted to central island design, manufactured from 304 stainless steel fully welded with polished corners and riveted plenum chamber, complete with baffle filters and drip trays. Available in any size or shape, build to meet the requirements of your kitchen including ductwork, fan speed controller and fan.

Type C Extraction Canopies

Heavy duty canopies designed and manufactured to your specific requirements, manufactured from 430 stainless steel, the design is CAD drawn and then manufactured by automated punch press giving ultimate accuracy and precision engineering. Fully welded with polished corners. Made in sections we can make and install the largest commercial canopies available

We offer all commercial & domestic gas catering to all types of commercial and residential customers :

Being landlords or tenants?

You may be a landlord who has many properties to rent out to tenant while you are abroad and need a reliable company to carry out the work professionally for you. You may be the tenant who can't get in touch with the your landlords/landladies that easily or immediately when you need some jobs done very quickly. You may want to have some jobs such as gas repair, bathroom or toilet installation, boiler replacement, emergency gas or water leak to get sorted out as urgently. Advanced Professional Plumbing & Heating Services can help you with all aspects of plumbing and heating and multi-trade service. These are not problems at all as we are here for you. It's even easier for you when you need to make any payment as we have credit card/debit card or BACS transfer payment facility available to all of you who are property owners and tenants.

Restaurant customers?

You will need to have boiler serviced done yearly, get your commercial gas cooker repaired, your commercial grill or oven are not working you know who to call!
